

**IN THE UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF ALABAMA  
SOUTHERN DIVISION**

JASON T. YOUNG, :  
 :  
Plaintiff, :  
vs. : CA 05-0400-CG-C  
 :  
JO ANNE B. BARNHART,  
Commissioner of Social Security, :  
 :  
Defendant.

**REPORT AND RECOMMENDATION**

The Commissioner has moved for entry of judgment under sentence four of 42 U.S.C. § 405(g) with remand of this cause for further administrative proceedings. (Doc. 16)

The Commissioner believes that further administrative action is warranted in this case. The Administrative Law Judge (ALJ) failed to identify which impairments he found to be severe, failed to include mental limitations in Plaintiff's residual functional capacity assessment, and exclusively relied upon the Medical-Vocational Guidelines to direct a conclusion that Plaintiff was not disabled.

Accordingly, upon remand by the Court, the Commissioner will direct an ALJ to identify the impairments that are found to be severe, determine Plaintiff's mental limitations, if any, and include them in the residual functional capacity assessment, and if Plaintiff is found to have a severe mental impairment, to obtain testimony from a vocational expert to determine the impact of Plaintiff's mental limitations on his ability to perform other work.

(*Id.* at 1-2)

The motion to remand reveals that counsel for the defendant, Patricia N. Beyer, Esquire, notified plaintiff's counsel, Byron A. Lassiter, Esquire, of the contents of the motion and was advised by plaintiff's counsel that the plaintiff would interpose no objection to the motion to remand. (*Id.*)

In light of the foregoing, and the plain language of sentence four of 42 U.S.C. § 405(g) empowering this Court "to enter, upon the pleadings and transcript of the record, a judgment affirming, modifying, or reversing the decision of the Commissioner of Social Security, with or without remanding the cause for a rehearing[,]" the Magistrate Judge recommends that this cause be reversed and remanded pursuant to sentence four of § 405(g), *see Melkonyan v. Sullivan*, 501 U.S. 89, 111 S.Ct. 2157, 115 L.Ed.2d 78 (1991), for further proceedings. The remand pursuant to sentence four of § 405(g) makes the plaintiff a prevailing party for purposes of the Equal Access to Justice Act, 28 U.S.C. § 2412, *Shalala v. Schaefer*, 509 U.S. 292, 113 S.Ct. 2625, 125 L.Ed.2d 239 (1993), and terminates this Court's jurisdiction over this matter.<sup>1</sup>

**UNITED STATES MAGISTRATE JUDGE**

**MAGISTRATE JUDGE'S EXPLANATION OF PROCEDURAL RIGHTS AND  
RESPONSIBILITIES FOLLOWING RECOMMENDATION, AND  
FINDINGS CONCERNING NEED FOR TRANSCRIPT**

1. **Objection.** Any party who objects to this recommendation or anything in it must, within ten days of the date of service of this document, file specific written objections with the Clerk of this court. Failure to do so will bar a *de novo* determination by the district judge of anything in the recommendation and will bar an attack, on appeal, of the factual findings of the Magistrate Judge. See 28 U.S.C. § 636(b)(1)(C); *Lewis v. Smith*, 855 F.2d 736, 738 (11th Cir. 1988); *Nettles v. Wainwright*, 677 F.2d 404 (5th Cir. Unit B, 1982)(*en banc*). The procedure for challenging the findings and recommendations of the Magistrate Judge is set out in more detail in SD ALA LR 72.4 (June 1, 1997), which provides that:

A party may object to a recommendation entered by a magistrate judge in a dispositive matter, that is, a matter excepted by 28 U.S.C. § 636(b)(1)(A), by filing a 'Statement of Objection to Magistrate Judge's Recommendation' within ten days after being served with a copy of the recommendation, unless a different time is established by order. The statement of objection shall specify those portions of the recommendation to which objection is made and the basis for the objection. The objecting party shall submit to the district judge, at the time of filing the objection, a brief setting forth the party's arguments that the magistrate judge's recommendation should be reviewed *de novo* and a different disposition made. It is insufficient to submit only a copy of the original brief submitted to the magistrate judge, although a copy of the original brief may be submitted or referred to and incorporated into the brief in support of the objection. Failure to submit a brief in support of the objection may be deemed an abandonment of the objection.

A magistrate judge's recommendation cannot be appealed to a Court of Appeals; only the district judge's order or judgment can be appealed.

2. **Transcript (applicable Where Proceedings Tape Recorded).** Pursuant to 28 U.S.C. § 1915 and FED.R.CIV.P. 72(b), the Magistrate Judge finds that the tapes and original records in this case are adequate for purposes of review. Any party planning to object to this recommendation, but unable to pay the fee for a transcript, is advised that a judicial determination that transcription is necessary is required before the United States will pay the cost of the transcript.
